Tea Party

The image shows a fundraising page for a 'Tea Party' event. On the left is a photograph of a black teapot pouring tea into a clear glass cup. On the right is a dark blue fundraising dashboard. At the top of the dashboard, it shows '0 € raised so far. Fundraising target 100 €' and a progress circle at '0%'. Below this, it says '40 days left' with a checkmark icon and '0 donation' with a person icon. There are two edit icons (pencil) next to the fundraising target and the closing date. A large 'DONATE' button is in the center, with a 'Join the team' button below it. At the bottom, there are social media sharing icons for Facebook, Twitter, LinkedIn, Email, and a general share icon. The text 'Share this fundraising page' is above the icons. A small 'Individual initiative' label is in the top right corner of the dashboard area.
